Spring is Just Around the Corner!

With spring in the air it's time to think about tidying up shop with some spring cleaning! How are your pumps running? Do you have all the spare parts you might need in case of a breakdown? Maybe you should invest in some Goulds, Moyno, Prominent, or Sandpiper Repair parts just in case? You never know when you might need that part in a hurry and having a backup in stock is always a good idea for one of those unexpected moments!

Have no fear though! During the moments of crisis Atlantic Pump & Engineering, Inc. is always here for you with our 24/7 Emergency line! (207)608-2426!!!

NHWPCA 2008 Trade Fair!!!

Come chat with Tarad at the NHWPCA 2008 Trade Fair in Laconia, NH April 10th at the Margate Resort on Paugus Bay! We will be featuring great products from ProMinent like the Delta, Gamma L, and Sigma Pumps, the Prominent Analyzer and Controller, Moyno Pumps and Grinders, and the Warren Rupp Sandpiper just to name a few.

Want to Stay on OSHA's Good Side?

If the answer is yes, you need to introduce yourself to UniGuard! UniGuard is in compliance with OSHA and brings safety in your factory to a whole new level. UniGuard helps to guard all rotating elements, not just pumps, preventing injuries to all who work around rotating equipment. UniGuard doesn't rust or get harmed by UV rays. It is easy on your wallet and a long lasting investment! For more information check out the UniGuard website at

<http://www.uniguardmgc.com>.

Above is a picture of a UniGuard we had

made specifically for that pump!

Guess What!!! I Have a Secret!!

Real soon we will be announcing a great product upgrade from Goulds! This is something you won't want to miss out on so keep your eyes and ears open for this new information. That's all I can tell you for now but trust me you should start getting excited!

In Other News.....

To all those reading from the Vermont and New Hampshire territory, Adam Neithercut is not MIA, he has just moved on to try other things in his career. Don't worry though! We at Atlantic Pump & Engineering have you covered and are still here in the office to help you with any questions or concerns you might have. We are just a phone call away and can always find time to send someone your way. You, the customer, are always our number one priority when it comes to business!
